LOOK BOOK

2026

This 2026 catalogue brings together everything that defines Oltex today: consistency by design, variety with purpose.

Each collection lives in its own universe, built around a clear narrative, yet they all speak the same language. Every blank has been developed with next-year trends in mind, from carefully selected on-trend colour palettes to refined fits and technical details, all curated to elevate the final outcome.

This is not a catalogue to browse and forget.

It's a tool for inspiration, a starting point to shape your next collections, sharpen your ideas, and create pieces that stand apart.

Use it to build, to experiment, and to let your brand shine on its own terms.
